## ACKNOWLEDGEMENT

The effort would not have been achievable without the generous support and assistance of many people. I would like to express our heartfelt gratitude to each and every one of them.

First and foremost, I wish to thank our Almighty God for the wisdom, for the strength, peace of mind and good health that enabled us to complete this thesis. I would like to convey my humble appreciation to our research teacher, Dr Jonald D. Sia for his unwavering support during the course of our studies and research as well as his patience, passion and vast expertise. My heartfelt gratitude gives to my thesis adviser Dr. Violeta B. Monticalvo for her unwavering support in carrying out this research.

This study would not be a success without your support and assistance. I truly appreciate that you have been such an important part of my study and I realize that a simple thank you cannot express how glad and thankful I am, so Thank You.

M. O. S.
